DETAILED ACTION

Papers Received

Receipt is acknowledged of the applicant's response and petition for extension of time, both received on 01 June 2004.

Claim Rejections - 35 USC § 103

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

The rejection of Claims 1-19 and 21-30 under 35 U.S.C. 103(a) over Gaynor et al. is maintained.

The rejection of Claims 1-34 under 35 U.S.C. 103(a) over Perkes is maintained.

Response to Arguments

Applicant's arguments filed 01 June 2004 have been fully considered but they are not persuasive. In the view of the examiner, the applicant has not yet sufficiently shown the unexpected results that arise from the particular selection of the Muscat grape as recited in the instant claims. The other grape varieties used in comparison to the Muscat grape in the instant specification, constitute, in the view of the examiner, a limited selection of grapes. Comparison to other grape varieties should comprise a reasonably broad sampling of grape varieties. More importantly, the cited figure of 60% inhibition of platelet aggregation, used by the applicant to distinguish above the prior art does not list any sort of standard deviation. Without such a

standard deviation, the statistical significance of such a figure is difficult to ascertain. Therefore, the prior art rejections of record will be maintained.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
